[Oops: RNCSE 26:4](#) [3]

Some copies of *Reports of the NCSE*, volume 26, number 4 -- with the mudskipper on the cover -- were miscollated by the printer. Please check your copy to make sure that all 48 pages appear in order and with no repetitions. If you have a faulty copy, please let NCSE know, ideally by e-mailing oops@ncseweb.org [4] with your name and address, and we will send you a replacement copy straightaway. And if you don't subscribe to *Reports* -- what are you waiting for?
