[Fossil Friday!](#) [4]

Gobble gobble! Happy almost-Thanksgiving, everyone! In celebration of one of my favorite turkey-

related holidays, I've decided to give you a turkey of a fossil. Well, no, it's not a fossilized turkey, but it is about the size of a turkey. In fact, UCMP describes this guy as "extremely bird-like"!

So who was this fellow? What period is he from? How would he have tasted with a little cranberry sauce?

Give your answer in the comments below! Winner gets bragging rights for a week.
