[Fossil Friday!](#) [5]

This week on the Fossil Friday, I take you outside of the museum...many thousands of miles away, to an actual site in the desert. Josh Rosenau here at NCSE snapped this photo when he was traveling...where? I can't tell you! What is it? That is for you to figure out!

For those who are in love with fossils, this should be an easy one, as it comes from a UNSECO World Heritage Site. Others? Perhaps a Google search can get you started.
