Eugenie C. Scott

NCSE is pleased to congratulate Eugenie C. Scott on her election to the board of trustees of [Americans United for Separation of Church and State](#) [4]. "Genie Scott is a longtime ally in the fight for church-state separation," said the Reverend Barry W. Lynn, executive director of Americans United. "I am extremely pleased that she will be serving on the board at Americans United. AU will benefit greatly from her expertise and knowledge."

"The bonds between NCSE and AU have always been strong," commented NCSE's executive director Ann Reid, "and have helped to keep religiously motivated pseudoscience out of the classroom of the public schools, especially in the landmark case of *Kitzmiller v. Dover*. Now, with NCSE's founding executive director Eugenie C. Scott on AU's board and AU's legal director Richard B. Katskee on NCSE's board, the partnership is sure to continue to thrive."
