[NCSE's annual report for 2016](#) [3]

NCSE's annual report for 2016 is now [available](#) [4] (PDF) on NCSE's website. The report briefly reviews the challenges to the integrity of science education, summarizes the results of the NCSE/Penn State survey of climate change education, describes the burgeoning Science Booster Club and Scientist in the Classroom programs, and ends with a financial report — especially useful for those considering [donating](#) [5] to NCSE! As NCSE's executive director writes in her introductory letter to the report, "We are grateful to our board members, our many enthusiastic volunteers, and our thousands of donors, who make it possible for NCSE to fight the good fight."
