[RNCSE 37:3 now on-line](#) [3]

NCSE is pleased to announce that the latest issue of *Reports of the National Center for Science Education* is now available on-line. The issue — volume 37, number 3 — is the seventh issue in the newsletter's new, streamlined, and full-color format.

Featured are Jon Perry's guide to debating evolution on the Internet; Randy Moore's discussion of a creationist museum in Broken Bow, Nebraska; Brandie Freeman's reaction to the Heartland Institute's climate denial propaganda campaign; Emily Schoerning's update on NCSE's Science Booster Club program; and Matthew R. Kaser's review of Nick Lane's *The Vital Question*.

The entire issue is freely available in PDF form from <http://reports.ncse.com> [4]. Members of NCSE will be receiving a printed copy in the mail shortly. (Not a member? [Join](#) [5] today!)
