## [RNCSE 37:4 now on-line](#) [3]

NCSE is pleased to announce that the latest issue of *Reports of the National Center for Science Education* is now available on-line. The issue — volume 37, number 4 — is the eighth issue in the newsletter's new, streamlined, and full-color format.

Featured are Stephanie Keep's interview of the University of Iowa's Maurine Nieman; Randy Moore's discussion of the new statue of Clarence Darrow in Dayton, Tennessee; Brad Hoge's self-introduction as NCSE's new Director of Teacher Support; Claire Adrian-Tucci's report on the summer activities of NCSE's Science Booster Club program; Amanda Glaze's review of Lydia Pyne's *Seven Skeletons*; and Kevin Padian's review of Olivier Rieppel's *Turtles as Hopeful Monsters*.

The entire issue is freely available in PDF form from <http://reports.ncse.com> [4]. Members of NCSE will be receiving it in printed form shortly. (Not a member? [Join](#) [5] today!)
